SECTION 3

Application of the product specific rules of origin for certain motor vehicles through production processes related to certain parts

1. For the purpose of satisfying the product specific rule of origin of Column 2 in Annex 3-B applicable to motor vehicles of subheadings 8703.21 to 8703.90, a material listed in Column (i) in the table below used in the production of those motor vehicles shall be considered originating in a Party if:

(a) it meets the product specific rule of origin of Column 2 in Annex 3-B applicable to that material; or

(b) the production process related to that material, as laid down in Column (ii) in the table below, is carried out in a Party.

Table

Column (i) Harmonized System Classification (2017) including specific description[1]	Column (ii) Related production process
7007.11	Tempering of a non-originating material provided that non-originating materials of heading 70.07 are not used.
7007.21	Tempering or laminating of a non-originating material provided that non-originating materials of heading 70.07 are not used.

[1] Where a specific description of a material is included in Column (i), the related production process in Column (ii) applies only to that material.
