CHAPTER IV
FINAL PROVISIONS

Article 31
Review

Unless the Contracting Parties otherwise agree, the Contracting Parties shall conduct a review if, after the entry into force of this Agreement, the Argentine Republic enters into any multilateral or bilateral international agreement on investment:

(a) which does not contain a provision excluding sovereign debt;

(b) which provides for its consent to submit an investment dispute to arbitration with respect to the establishment, acquisition or expansion of investments of an investor of another State; or

(c) which contains provisions with respect to prohibition of performance requirements,

with a view to amending the corresponding provisions of or adding relevant provisions to this Agreement. The Contracting Parties shall commence such review upon request by Japan and within three months from the date of receipt of the request made after the date on which that international agreement enters into force and will conduct the review with the aim of concluding it within a reasonable period of time.
