⑩ Submission of Tender by Tendering Group

(i) In cases where, due to geographical locations and other factors, a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more service suppliers capable of properly implementing the unused state-owned land management services in the relevant service area (hereinafter the "tendering group"). In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare a written agreement for the creation of a tendering group and submit it.

For implementing the unused state-owned land management services, the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also coordinate with the government so that the services will be implemented in a smooth and efficient manner.

A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.

(ii) ・The representative of the group shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑨ above.
・The members of the group shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑧ above.
