(b) any new, or any changes to existing, laws, regulations or administrative guidelines which significantly affect trade in services covered by the Party's specific commitments under this Chapter, whether or not that other Party has been previously notified of the new or changed law, regulation or administrative guideline.

8. Each Party shall, to the extent possible and required under its laws and regulations, respond to enquiries from interested persons of the Parties regarding any relevant measure of general application of the Party relating to the subject matter of this Chapter.

9. Each Party shall prepare a non-legally binding list (transparency list) on laws and, to the extent possible, other measures at the central government level, which are inconsistent with the obligations under Articles 50.3, 50.17 and 50.18. Such a list shall cover (i) the sectors where specific commitments are undertaken in this Agreement and/or in any other agreements in force on the date of entry into force of the First Protocol pertaining to or affecting trade in services to which the Party preparing the list is a party and (ii) to the extent possible, other sectors that are not included in the sectors referred to in (i), shall be exchanged among the Parties and made public within six (6) years for newer ASEAN Member States and four (4) years for the remaining Parties, from the date of entry into force of the First Protocol, and may be subject to future review and revision as necessary. This list shall not form an integral part of this Agreement and shall not be subject to dispute settlement procedures provided for in Chapter 9. The list shall include the following elements:

(a) sector and sub-sector or matter;

(b) type of inconsistency (i.e. Most-Favoured-Nation Treatment, Market Access and/or National Treatment);

(c) legal source or authority of the measure; and

(d) succinct description of the measure.

Note: Nothing in this paragraph shall be construed to oblige any Party to enter into negotiations with any other Party in respect of any matter relating to the list. The list under this paragraph will be made solely for the purposes of transparency, and shall not be construed to affect the rights and obligations of a Party under this Chapter. For greater certainty, the information contained in this list will also not prevent Parties from introducing new measures or changes. Any review or revision under this paragraph will be solely for the purposes of updating such list.

10. In preparation of such list, a Party, upon request of another Party, may provide technical assistance to the requesting Party, subject to the available resources.

Article 50.5
Domestic Regulation

1. In sectors where specific commitments are undertaken under Articles 50.17 through 50.23, each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.

2. (a) Each Party shall maintain or institute as soon as practicable judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.

(b) Subparagraph 2(a) shall not be construed to require a Party to institute such tribunals or procedures where this would be inconsistent with its constitutional structure or the nature of its legal system.
