(iii) activities to direct one or more departments of the latter public or private organisation; or

(iv) activities which require technology or knowledge at an advanced level pertinent to natural or human sciences, including physical sciences, engineering, jurisprudence, economics, business management and accounting, or activities which require ideas and sensitivity based on culture of a country other than Japan, recognised under the status of residence of "Engineer/Specialist in Humanities/ International Services" provided for in the Immigration Control and Refugee Recognition Act (Cabinet Order No. 319 of 1951, as amended).

Note: For the purposes of this paragraph, a public or private organisation is "affiliated" with another public or private organisation when the latter can significantly affect the decision making of the former on finance and business policy.

2. The activities which require technology or knowledge at an advanced level pertinent to natural or human sciences referred to in subparagraph 1(c)(iv) mean the activities in which the natural person may not be able to engage without the application of specialised technology or knowledge of natural or human sciences acquired by him or her by, in principle, completing college education (i.e. bachelor's degree) or higher education.

Section 3
Natural Persons of ASEAN Member States Who Engage in Business Activities Which Require Technology or Knowledge at an Advanced Level on the Basis of a Personal Contract with Public or Private Organisations in Japan

1. Entry and temporary stay for a period of up to five years, which may be extended, shall be granted to a natural person of an ASEAN Member State who will engage in the business activities of supplying services during his or her temporary stay in Japan on the basis of a personal contract with a public or private organisation in Japan which correspond to:

(a) activities which require technology or knowledge at an advanced level pertinent to natural or human sciences, including physical sciences, engineering, jurisprudence, economics, business management and accounting; or

(b) activities which require ideas and sensitivity based on culture of a country other than Japan,

under the status of residence of "Engineer/Specialist in Humanities/International Services", whose scope is provided for in the Immigration Control and Refugee Recognition Act.

2. The activities which require technology or knowledge at an advanced level pertinent to natural or human sciences referred to in subparagraph 1(a) mean the activities in which the natural person may not be able to engage without the application of specialised technology or knowledge of natural or human sciences acquired by him or her by, in principle, completing college education (i.e. bachelor's degree) or higher education.

Section 4
Investors of ASEAN Member States

Entry and temporary stay for a period of up to five years, which may be extended, shall be granted to a natural person of an ASEAN Member State who will engage in one of the following activities during his or her temporary stay in Japan:

(a) activities to invest in business in Japan and manage such business;

(b) activities to manage business in Japan on behalf of a person other than that of Japan who has invested in such business; or

(c) conduct of business in Japan in which a person other than that of Japan has invested.

Section 5
Natural Persons of ASEAN Member States Who Engage in Professional Services

Entry and temporary stay for a period of up to five years, which may be extended, shall be granted to a natural person of an ASEAN Member State who is a legal, accounting or taxation service supplier qualified as specified in subparagraphs (a) through (j) under the laws and regulations of Japan and who will supply the respective services specified therein during his or her temporary stay in Japan:
