(v) In the case of a supplier who renders "fence building services," such supplier shall have Grade A or B for the classification of "garden works," or Grade A, B, C or D for the classification of "general civil works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(vi) In the case of a supplier who renders "services of preparation and installment of signboards," such supplier shall have Grade A, B or C for the classification of "garden works," or Grade A, B, C or D for the classification of "general civil works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026, or shall have Grade A, B, C or D for the classification of "provision of services, etc.," as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2025, 2026 and 2027, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area.

(vii) In the case of a supplier who renders "tree cutting services," such supplier shall have Grade A or B for the classification of "garden works," or Grade A, B or C for the classification of "general civil works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(viii) In the case of a supplier who renders "garbage disposition and nest removal services," such supplier shall have Grade A or B for the classification of "garden works" or Grade A, B, C or D for the classification of "general civil works" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026, or shall have Grade A, B or C for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2025, 2026 and 2027, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area.

(ix) In the case of a supplier who renders "sediment removal services," such supplier shall have Grade A, B, C or D for the classification of "general civil work," or Grade A or B for the classification of "scaffolding, civil works, concrete works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(x) In the case of a supplier who renders "simple treatment services on slopes", such supplier shall have Grade A, B, C or D for the classification of "general civil work", or Grade A, B or C for the classification of "scaffolding, civil works, concrete works", as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(xi) In the case of a supplier who renders "services for shutting opening parts of buildings," such supplier shall have Grade A or B for the classification of "garden works," or Grade A, B, C or D for the classification of "general civil works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(xii) In the case of a supplier who renders "estimation services," such supplier shall have Grade A, B or C for the classification of "garden works," or Grade A, B, C or D for the classification of "general civil works," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2025 and 2026.

(5) A supplier whose qualification has not been suspended by government agencies (including a supplier specifically designated by the official in charge of disbursement of the procuring).

(6) A supplier who has no delinquent tax liabilities.

(7) A supplier who has not received any supervisory action within one year before the base date, which shall be the first day of the month in which the last day of the application acceptance period falls.

(8) A supplier whose business situation or trustworthiness is deemed not to have significantly deteriorated, and whose proper performance of a contract can be guaranteed.

(9) A supplier who has been given a briefing on the outline of the services at the tender briefing session (or briefing on an as-needed basis).

(10) Submission of Tender by Tendering Group

(i) In cases where a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more suppliers (hereinafter the "tendering group").

In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal sheet and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare and submit a written agreement for the formation of a tendering group.

For implementing the services, the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also periodically coordinate with the government so that the services will be implemented in a smooth and efficient manner.

A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.

(ii) The representative shall satisfy all of the requirements specified in (1) through (3) and (5) through (9) above, and members of the group shall satisfy the requirements specified in items (1) through (3) and (5) through (8) above.

With regard to the requirements set out in item (4) above, it is sufficient that the tendering group as a whole satisfies all these requirements; however, the representative and each group member shall have at least one type of qualification for participation in the tendering procedures.
