⑺　手続における交渉の有無　無
⑻　その他　詳細は入札説明書による。

5　Summary

1．Procurement contents :
⑴　Item classification No. 17
⑵　Title for purchasing etc. and quantity : Car leasing contract, 19 cars
⑶　Characteristics etc. of procurement title : Specified in bidding instructions
⑷　Period of execution : From November 1, 2009 to October 31, 2013
⑸　Place of execution : Within the jurisdiction of the Center for Forestry and Agriculture Development, Forestry and Forest Products Research Institute
⑹　Bidding method : The total bidding prices (yen) shall be calculated by multiplying the quantity of cars shown in Paragraph 1⑵ above by monthly leasing fee. A successful bidder shall be determined through the overall greatest value evaluation method of bidding. Bidders are required to submit documents specifying performance, capability, etc. in relation to bid proposals (hereinafter referred to as "Capability Certificates") to the address set forth in the Paragraph 3 below before the deadline specified in Paragraph 4⑶. The successful bid price shall be the bidding price specified in the bidding document plus 5% of the bidding price (any fraction less than one yen will be rounded off.). Therefore, bidders, whether they are subject to or exempted from consumption tax and local consumption tax, shall specify prices equivalent to 100／105 of their estimated contract price in their bidding proposals.

2．Required qualifications for participating in competitive bidding
⑴　Parties that are not those who do not have the ability to make a contract (except for minors, warrantees or persons under assistance, who have obtained necessary approval for making a contract), or who have been bankrupt and have not yet had restoration of rights ;
