4. The Sub-Committee shall be composed of representatives of the Parties.

Article XXXI

Transitional Provisions for Products in Transit or Storage

The provisions of this Agreement may be applied to products which comply with the provisions of this Annex, and which on the date of entry into force of this Agreement, are either in transit from the customs territory of the exporting Party to the customs territory of the importing Party or in temporary storage in a bonded warehouse under customs control. Such application shall be subject to the submission to the customs authority of the importing Party, within four months of the date of entry into force of this Agreement, of a Certificate of Origin issued retrospectively or an origin declaration and, if required pursuant to Article XXI of this Annex, such other documentation relating to the importation of the product.

Appendix 1

Product Specific Rules

Introductory Notes

1. For the purposes of the product specific rules set out in this Appendix:

(a) (i) "VNM" denotes the maximum value, in percentage of the ex-works price of the product as indicated by the figure immediately after it, of non-originating materials used in the production of the product. For example, "VNM 40%" denotes that the VNM does not exceed 40 per cent of the ex-works price of the product.

(ii) "CC" denotes a change to the chapter, heading or subheading from any other chapter. This means that all non-originating materials used in the production of the product have undergone a change in tariff classification at the two-digit level (i.e. a change in chapter) of the HS;

(iii) "CTH" denotes a change to the chapter, heading or subheading from any other heading. This means that all non-originating materials used in the production of the product have undergone a change in tariff classification at the four-digit level (i.e. a change in heading) of the HS;

(iv) "CTSH" denotes a change to the chapter, heading or subheading from any other subheading. This means that all non-originating materials used in the production of the product have undergone a change in tariff classification at the six-digit level (i.e. a change in subheading) of the HS; and

(v) "WO" means that the product is wholly obtained in the customs territory of a Party as defined in Article III of Annex II;
