Description:	Ships under the flag of a Contracting Party to the Revised Act on Rhine shipping are defined as "belonging to Rhine shipping" (SR 0.747.224.101, Article 2).
	As defined by the Revised Act on Rhine shipping (SR 0.747.224.101, Article 4) and as defined in the Federal Law on maritime transport under Swiss flag (SR 747.30, Article 125), ships "belonging to Rhine shipping" have the right to transport passengers and goods between two points on the Rhine. It is not allowed to supply services as indicated in the Industry Classification element under other flags (SR 0.747.224.101, Article 4).
	All ships offering commercial transport services of passengers and goods on internal waterways on the territory of Switzerland, including waterways sharing the border with another country, must be registered in the ship registry (Schiffsregister, registre des bateaux, registro del naviglio). To be registered in the ship registry, more than 50 per cent of a ship must be owned by one or more natural persons having their residence in Switzerland or by one or more juridical persons having their domicile in Switzerland. In addition, a ship may be registered in the ship registry only if it is allowed to carry the Swiss flag and if it belongs to an economically independent enterprise or branch with a full-fledged operational organisation in Switzerland (SR 747.11, Article 4).
	The owner of a Rhine vessel that is permitted to fly the Swiss flag on the Rhine must meet the requirements as specified hereinafter. Rhine vessels are defined as vessels used for the commercial transport of persons or goods on the Rhine, its tributaries and side canals, downstream of the town of Rheinfelden. The Confederation, the cantons and Swiss public corporations and organisations are not required in their capacity as ship owners to prove that they fulfil these requirements. A
