941.293, Article 3).

The exercise of the profession of a commercial assayer requires the authorisation of the competent federal authorities, a relevant federal diploma ("eidgenössisches Diplom für Edelmetallprüfer"; "diplôme fédéral d'essayeur-juré"; "diploma federale di saggiatore") as well as residence in Switzerland. Legal domicile and service supply in Switzerland are required. Commercial assayers are not allowed to supply official control or punching services for precious metals (SR 941.31, Articles 36, 37, 38 and 41).

Note for transparency: For all these services the federal authorities fix the fees to be charged to consumers for the service supplied.

CANTONAL LEVEL:

The control of road vehicles is implemented by cantonal legislation and reserved to cantonal offices or delegated entities designated by them.

97. Sector:

Sub-Sector:	Official certification for construction authorisations
Industry Classification:	
Type of Reservation:	National treatment (Article 47)
