Article 9
Language

A request and any documents attached thereto shall be accompanied by a translation into an official language of the requested State or, in all or, in urgent cases, into a language specified in Annex III to this Agreement.

Article 10
Execution of requests

1. The requested State shall promptly execute a request in accordance with the relevant provisions of this Agreement. The competent authorities of the requested State shall take every possible measure in their power to ensure the execution of a request.

2. A request shall be executed by using measures that are in accordance with the laws of the requested State. The particular manner or procedure described in the request referred to in paragraph 4(g) or paragraph 5(a) of Article 8 shall be followed to the extent that it is not contrary to the laws of the requested State, and where it is practically possible. In case the execution of the request in the manner or procedure described in the request poses a practical problem for the requested State, the requested State shall consult with the requesting State in order to solve the practical problem.

3. If the execution of a request is deemed to interfere with an ongoing investigation, prosecution or other proceeding, including judicial proceeding, in the requested State, the requested State may postpone the execution. The requested State shall inform the requesting State of the reasons for the postponement and consult the further procedure. Instead of postponing the execution, the requested State may make the execution subject to conditions deemed necessary after consultations with the requesting State. If the requesting State accepts such conditions, the requesting State shall comply with them.

4. The requested State shall make its best efforts to keep confidential the fact that a request has been made, the contents of the request, the outcome of the execution of the request and other relevant information concerning the execution of the request if such confidentiality is requested by the requesting State. If a request cannot be executed without disclosure of such information, the requested State shall so inform the requesting State, which shall then determine whether the request should nevertheless be executed.
