3. Each Party shall endeavour to reduce the requirements for a service supplier of the other Party to establish or maintain a representative office or any form of enterprise or to be resident in its Area, as a condition for the cross-border supply of a service.

Article 60
National Treatment

1. In the sectors inscribed in its Schedule of Specific Commitments in Annex 6, and subject to any conditions and qualifications set out therein, each Party shall accord to services and service suppliers of the other Party, in respect of all measures affecting the supply of services, treatment no less favourable than that it accords to its own like services and service suppliers.

Note: Specific commitments assumed under this Article shall not be construed to require either Party to compensate for any inherent competitive disadvantages which result from the foreign character of the relevant services or service suppliers.

2. A Party may meet the requirement of paragraph 1 by according to services and service suppliers of the other Party, either formally identical treatment or formally different treatment to that it accords to its own like services and service suppliers.

3. Formally identical or formally different treatment shall be considered to be less favourable if it modifies the conditions of competition in favour of services or service suppliers of a Party compared to like services or service suppliers of the other Party.

4. A Party shall not invoke the preceding paragraphs under Chapter 14 with respect to a measure of the other Party that falls within the scope of an international agreement between them relating to the avoidance of double taxation.

Article 61
Additional Commitments

The Parties may negotiate commitments with respect to measures affecting trade in services not subject to scheduling under Articles 59 and 60, including those regarding qualifications, standards or licensing matters. Such commitments shall be inscribed in a Party's Schedule of Specific Commitments in Annex 6.

Article 62
Schedule of Specific Commitments

1. With respect to sectors or sub-sectors where specific commitments are undertaken by each Party, its Schedule of Specific Commitments in Annex 6 shall specify:

(a) terms, limitations and conditions on market access;

(b) conditions and qualifications on national treatment;

(c) undertakings relating to additional commitments; and

(d) where appropriate, the time-frame for implementation of such commitments.

2. Measures inconsistent with both Articles 59 and 60 shall be inscribed in the column relating to Article 59. This inscription will be considered to provide a condition or qualification to Article 60 as well.

Article 63
Most-Favoured-Nation Treatment

If, after this Agreement enters into force, a Party enters into any agreement on trade in services with a non-Party, it shall consider a request by the other Party for the incorporation in this Agreement of treatment no less favourable than that provided under the former agreement. Any such incorporation should maintain the overall balance of commitments undertaken by each Party under this Agreement.
