Article 67
Monopolies and Exclusive Service Suppliers

1. Each Party shall ensure that any monopoly supplier of a service in its Area does not, in the supply of the monopoly service in the relevant market, act in a manner inconsistent with the Party's commitments under this Chapter.

2. Where a Party's monopoly supplier of a service competes, either directly or through an affiliated company, in the supply of a service outside the scope of its monopoly rights and which is subject to that Party's specific commitments, the Party shall ensure that such a supplier does not abuse its monopoly position to act in the Area of the Party in a manner inconsistent with such commitments.

3. If a Party has a reason to believe that a monopoly supplier of a service of the other Party is acting in a manner inconsistent with paragraph 1 or 2, the Party may request the other Party establishing, maintaining or authorising such supplier to provide specific information concerning the relevant operations.

4. The provisions of this Article shall also apply to cases of exclusive service suppliers, where a Party, formally or in effect:

(a) authorises or establishes a small number of service suppliers; and

(b) substantially prevents competition among those suppliers in its Area.

Article 68
Payments and Transfers

1. Except under the circumstances envisaged in Article 69, a Party shall not apply restrictions on international transfers and payments for current transactions relating to its specific commitments.

2. Nothing in this Chapter shall affect the rights and obligations of the Parties as members of the International Monetary Fund under the Articles of Agreement of the International Monetary Fund, including the use of exchange actions which are in conformity with the Articles of Agreement of the International Monetary Fund, provided that a Party shall not impose restrictions on any capital transactions inconsistently with its specific commitments under this Chapter regarding such transactions, except under Article 69, or at the request of the International Monetary Fund.

Article 69
Restrictions to Safeguard the Balance of Payments

1. In the event of serious balance-of-payments and external financial difficulties or threat thereof, a Party may adopt or maintain restrictions on trade in services on which it has undertaken specific commitments, including on payments or transfers for transactions relating to such commitments. It is recognised that particular pressure on the balance of payments of a Party in the process of economic development may necessitate the use of restrictions to ensure, *inter alia*, the maintenance of a level of financial reserves adequate for the implementation of its programme of economic development.

2. The restrictions referred to in paragraph 1:

(a) shall be applied by a Party on a national treatment basis and such that the other Party is treated no less favourably than any non-Party;

(b) shall be consistent with the Articles of Agreement of the International Monetary Fund;

(c) shall avoid unnecessary damage to the commercial, economic and financial interests of the other Party;

(d) shall not exceed those necessary to deal with the circumstances described in paragraph 1; and

(e) shall be temporary and be phased out progressively as the situation specified in paragraph 1 improves.
