(i) taxation services supplied by a tax accountant qualified as "Zeirishi" under the laws and regulations of Japan; or

(j) legal services supplied by a land and house surveyor qualified as "Tochi-Kaoku-Chosashi" under the laws and regulations of Japan.

Section 5
Independent Professionals of India

1. Entry and temporary stay for a period of one or three years, which may be extended, shall be granted to a natural person of India who will engage in one of the following business activities of supplying services, during his or her temporary stay in Japan on the basis of a personal contract with a public or private organisation in Japan:

(a) activities which require technology or knowledge at an advanced level pertinent to physical sciences, engineering or other natural sciences under the status of residence of "Engineer", whose scope is provided for in the Immigration Control and Refugee Recognition Act;

(b) activities which require knowledge at an advanced level pertinent to human science, including jurisprudence, economics, business management and accounting, or which require ideas and sensitivity based on culture of a country other than Japan, under the status of residence of "Specialist in Humanities/International Services", whose scope is provided for in the Immigration Control and Refugee Recognition Act; or

(c) activities which require specialised skills relating to Indian cuisine under the status of residence of "Skilled Labour", whose scope is provided for in the Immigration Control and Refugee Recognition Act.

2. Activities which require technology or knowledge at an advanced level pertinent to natural or human sciences referred to in paragraph 1 mean activities in which the natural person may not be able to engage without the application of specialised technology or knowledge of natural or human sciences acquired by him or her by, in principle, completing college education (i.e. bachelor's degree) or higher education.

Note: Activities defined in subparagraph 1(a) include those related to services listed in the Appendix 1 to this Part and those defined in subparagraph 1(b) include those listed in the Appendix 2 to this Part. The application for entry and temporary stay in connection with subparagraphs 1(a) and (b) will be examined in accordance with the provisions of those subparagraphs.

Section 6
Contractual Service Suppliers of India

1. Entry and temporary stay for a period of one or three years, which may be extended, shall be granted to a natural person of India who is an employee of a public or private organisation in India having no commercial presence in Japan (hereinafter referred to in this Section as "the Indian organisation") and who will engage in one of the following business activities of supplying services during his or her temporary stay in Japan:

(a) activities which require technology or knowledge at an advanced level pertinent to physical sciences, engineering or other natural sciences, under the status of residence of "Engineer", whose scope is provided for in the Immigration Control and Refugee Recognition Act;
