(ii) nuclear material derived by one or more processes from the use of material or equipment transferred pursuant to this Agreement; and

(iii) nuclear material which the Parties agree as derived from the use of technology transferred pursuant to this Agreement; and

(k) The term "unclassified information" means information not classified as restricted, confidential, secret or top secret by either of the Parties.

ARTICLE 2

1. Cooperation under this Agreement for the promotion and development of the peaceful non-explosive uses of nuclear energy in the two States may be undertaken in the following ways:

(a) exchange of experts and trainees;

(b) exchange of unclassified information, including information relating to nuclear safety, on such terms as may be agreed between the Parties, between authorized persons of the Parties, or between either Party and authorized persons of the other Party;

(c) supply from a Party or its authorized persons to the other Party or its authorized persons of nuclear material, material, equipment and technology on such terms as may be agreed between the supplier and the recipient;

(d) provision of services by a Party or its authorized persons and receipt of services by the other Party or its authorized persons on matters within the scope of this Agreement on such terms as may be agreed between the supplier and the recipient; and

(e) other ways as may be agreed by the Parties.

2. Cooperation as specified in paragraph 1 of this Article may be undertaken in the following areas:

(a) exploration and exploitation of uranium resources;

(b) design, construction and operation of light water reactors;

(c) safety and physical protection of light water reactors;

(d) radioactive waste processing and disposal;

(e) radiation protection and environmental monitoring;

(f) study on and application of radio-isotopes and radiation; and

(g) other areas as may be agreed by the Parties.

3. Notwithstanding the provisions of paragraphs 1 and 2 of this Article, technology for and equipment for uranium enrichment, spent nuclear fuel reprocessing, conversion of plutonium and production of material and plutonium shall not be transferred under this Agreement.

ARTICLE 3

Cooperation as specified in Article 2 of this Agreement shall be subject to the provisions of this Agreement, and laws and regulations in force in their respective States, and shall require, in the case of cooperation envisaged in sub-paragraph (c) of paragraph 1 of the said Article, acceptance of the application of safeguards by the Agency:

(a) with respect to all nuclear material in all nuclear activities within Japan, when the recipient is the Government of Japan or its authorized persons. Implementation of the Safeguards Agreement for Japan shall be considered as fulfilling this requirement; and

(b) with respect to all nuclear material in all nuclear activities within the Hashemite Kingdom of Jordan, when the recipient is the Government of the Hashemite Kingdom of Jordan or its authorized persons. Implementation of the Safeguards Agreement for the Hashemite Kingdom of Jordan shall be considered as fulfilling this requirement.
