(b) its technical regulations and conformity assessment procedures adopted to address urgent problems of safety, health, environmental protection or national security arising or threatening to arise.

2. The notification of technical regulations and conformity assessment procedures shall include a link to or, if requested by the other Party, a copy of, the English version of such technical regulations and conformity assessment procedures, where possible, or in case of voluminous copies, an English summary of such technical regulations and conformity assessment procedures that includes the main requirements thereof.

3. The Parties shall endeavor to allow a period of at least 60 days following the notification of proposed technical regulations and conformity assessment procedures for the public and the other Party to provide written comments, except where urgent problems of safety, health, environmental protection or national security arise or threaten to arise. A Party shall give positive consideration to a reasonable request for extending the comment period.

4. Each Party shall, on request of the other Party, provide information regarding the objectives of, and rationale for, a technical regulation or conformity assessment procedure that the Party has adopted or is proposing to adopt.

5. Each Party shall endeavor to ensure that all adopted technical regulations and conformity assessment procedures are available on official websites that are freely and publicly available. The Parties shall exchange the list of official websites in a period of 60 days from the entry into force of this Agreement and any modification to that list, when appropriate.

6. Where a Party detains at a port of entry a good exported from the other Party due to a perceived failure to comply with a technical regulation, it shall endeavor to immediately notify the importer of the reasons for the detention of the good.

Article 98
Technical Cooperation

The Parties shall give positive consideration to supply each other cooperation and technical assistance, to the extent possible, in order to, *inter alia*:

(a) encourage the enforcement of this Chapter;

(b) encourage the enforcement of the TBT Agreement;

(c) strengthen the corresponding bodies of standardization, technical regulation and conformity assessment, including the formation and training of the human resources; and

(d) increase the collaboration in international organizations in the areas of standardization and conformity assessment.

Article 99
Sub-Committee on Technical Regulations, Standards and Conformity Assessment Procedures

1. The Parties hereby establish a Sub-Committee on Technical Regulations, Standards and Conformity Assessment Procedures (hereinafter referred to in this Article as "the Sub-Committee").

2. The functions of the Sub-Committee shall be:

(a) monitoring the implementation and operation of this Chapter;

(b) promptly addressing any issue that a Party raises related to the development, adoption or application of technical regulations, standards and conformity assessment procedures under this Chapter and the TBT Agreement;

(c) enhancing joint cooperation in the development and improvement of technical regulations, standards and conformity assessment procedures;

(d) exchanging information on technical regulations, standards and conformity assessment procedures;
