9　Sector:　Manufacturing

Sub-Sector:　Shipbuilding and Repairing, and Marine Engines

Industry Classification:　JSIC 3131 Shipbuilding and repairing

Type of Reservation:　Market Access (Article 106)

Level of Government:　Central Government

Measures:　Shipbuilding Law (Law No. 129 of 1950), Articles 2, 3 and 3-2

Description:　A person who intends to establish or extend docks, which can be used to manufacture or repair vessels beyond a fixed scale, is required to obtain permission from the Minister of Land, Infrastructure, Transport and Tourism. The issuance of a license is subject to the requirements of an economic needs test.

10　Sector:　Matters Related to the Nationality of a Ship

Sub-Sector:

Industry Classification:

Type of Reservation:　Market Access (Article 106)

Level of Government:　Central Government

Measures:　Ship Law (Law No. 46 of 1899), Article 1

Description:　Nationality requirement applies to the supply of international maritime transport services (including services of passenger transportation and freight transportation) through establishment of a registered company operating a fleet flying the flag of Japan.

"Nationality requirement" means that the ship must be owned by a Japanese national, or a company established under the law of Japan, of which all the representatives and not less than two-thirds of the executives administering the affairs are Japanese nationals.
