Notes to specific services of Section 5:

Note 1 Maintenance and repair services are not included with respect to those motor vehicles, motorcycles and snowmobiles which are specifically modified and inspected to meet regulations of the procuring entities.

Note 2 Courier services are not included with respect to letters.

Note 3 Only architectural, engineering and other technical services related to construction services, with the exception of the following services when procured independently, are included:

- Final design services of CPC 86712 Architectural design services;

- CPC 86713 Contract administration services;

- Design services consisting of one or a combination of final plans, specifications and cost estimates of either CPC 86722 Engineering design services for the construction of foundations and building structures, or CPC 86723 Engineering design services for mechanical and electrical installations for buildings, or CPC 86724 Engineering design services for the construction of civil engineering works; and

- CPC 86727 Other engineering services during the construction and installation phase.

For the purposes of this Part, the term "CPC" means the Provisional Central Product Classification (Statistical paper Series M, No. 77, Department of International Economic and Social Affairs, Statistical Office of the United Nations, New York, 1991).

Note 4 Publishing and printing services are not included with respect to materials containing confidential information.

Section 6
Construction Services

Chapter 10 shall apply to all the following construction services that are procured by the procuring entities set out in Sections 1 through 3:

- CPC 51 Construction work

Note to Section 6:

A construction services contract is a contract which has as its objective the realization by whatever means of civil or building works, in the sense of Division 51 of the CPC.

Section 7
Publications

1. Publications with respect to Section 1

Kanpō

2. Publications with respect to Section 2

Kenpō
Shihō
or their equivalents

3. Publications with respect to Section 3

Kanpō

Section 8
Value of Thresholds

1. The value of thresholds set out in Sections 1 through 3 shall be calculated and converted into Yen in every even-numbered year, based on an average value of Yen in terms of SDRs in the most recent two-year period starting on January 1 of the year before the preceding year and ending on December 31 of the preceding year.

2. Japan shall notify Peru such value of thresholds and the period of its validity upon the entry into force of this Agreement and then notify every two years the value of newly calculated thresholds and the period of its validity one month prior to the date of the expiry of the previous value of thresholds.
