7. For the purposes of Chapter 10, open tendering procedures include framework agreements and reverse auction.

8. The English language names of the procuring entities listed in Peru's List are not official names. They are provided exclusively for convenience of readers unfamiliar with Spanish language. For official purposes, Peru shall cite and publish the official Spanish language names of its procuring entities.

Section 8
Value of Thresholds

1. Peru shall calculate and convert the value of thresholds into Nuevos Soles based on the average of the daily values of Nuevos Soles in terms of SDRs over the two-year period preceding October 1 of the year prior to the thresholds becoming effective. The value of thresholds as calculated and converted into Nuevos Soles is valid for the two-year period starting on January 1 of the current year and ending on December 31 of the following year.

2. Peru shall notify Japan of the applicable value of thresholds in Nuevos Soles and the period of its validity upon the entry into force of this Agreement and then notify the value of the newly calculated thresholds in Nuevos Soles no later than one month before the respective thresholds take effect.
