supplier who has filed a petition for rehabilitation procedures under the Civil Rehabilitation Act, and who has obtained a recertification of qualification for participation in the tendering procedures after the time of issuance of the decision of commencement of procedures).

⑤ A supplier qualified under the "qualification for participating in tenders (single qualification for every ministry and agency)" or the "qualification for participating in tenders related to the Ministry of Finance" who, prior to the deadline of submission of tender, received a qualification examination and was registered in the registry of qualified tender participants. Except for the tender by tendering group as set out in (11) below, a supplier shall meet all of the qualifications as specified in items (i) through (vi) below, in accordance with the types of services as set forth respectively in the specification sheets. In addition, a supplier shall submit a copy of the "notice of results of qualification examination" no later than the deadline for submission of tender.

(i) In the case of a supplier who renders "services of preparation of real property investigation reports," such supplier shall have Grade A or B for the classification of "land survey," "construction consultant" or "land and building investigation" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014, or Grade A or B for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2013, 2014 and 2015, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area, and, such supplier shall retain a staff member licensed as building lots and buildings transaction specialists (Article 18 of the Building Lots and Buildings Transaction Business Act).

(ii) In the case of a supplier who renders "underground objects investigation services," such supplier shall have Grade A, B or C for the classification of "general civil works," or Grade A or B for the classification of "scaffolding, civil works, concrete works" or "construction consultant" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014.

(iii) In the case of a supplier who renders "soil contamination investigation services," such supplier shall have Grade A or B for the classification of "soil survey" or "measurement certification" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014, or shall have Grade A or B for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2013, 2014 and 2015, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area, and, such supplier shall have obtained designation as a designated investigation institution pursuant to the provisions of the Soil Contamination Countermeasures Act (Act No. 53 of 2002).

(iv) In the case of a supplier who renders "utilities investigation services," such supplier shall have Grade B, C or D for the classification of "general civil works," or Grade A or B for the classification of "scaffolding, civil works, concrete works" or "construction consultant" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014.

(v) In the case of a supplier who renders "asbestos investigation services," such supplier shall have Grade A or B for the classification of "construction consultant," or Grade B, C or D for the classification of "general construction works" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014, or shall have Grade A, B, C or D for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2013, 2014 and 2015, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area, and, such supplier shall have experience in documentary inspections and visual inspections of asbestos and retain a qualified staff member licensed and registered as a class I working environment measurement expert (limited to inspection of mineral dust) as set forth in the Working Environment Measurement Act (Act No. 28 of 1975), a certified environmental measurer (limited to measurement related to density) as set forth in the Measurement Act (Act No. 51 of 1992), or a first class architect or second class architect as set forth in the Act on Architects and Building Engineers (Act No. 202 of 1950).

(vi) In the case of a supplier who renders "land survey services," such supplier shall have Grade A or B for the classification of "land and building investigation," as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014; or such supplier shall have Grade A or B for the classification of "land survey" and Grade C for the classification of "land and building investigation," as provided for in the aforementioned qualification.

(vii) In the case of a supplier who renders "monitoring services," such supplier shall have Grade A or B for the classification of "land survey," "construction consultant" or "land and building investigation" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014, or Grade A, B or C for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2013, 2014 and 2015, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area.

(viii) In the case of a supplier who renders "mowing and maintenance services," such supplier shall have Grade A or B for the classification of "garden works" or Grade A, B, C or D for the classification of "general civil works" as provided for in the qualification for participating in tenders by organizations in the Kanto area related to the Ministry of Finance in the fiscal years 2013 and 2014, or shall have Grade A or B for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2013, 2014 and 2015, and be eligible to participate in tendering procedures in the Kanto Koshinetsu area.
