⑥ A supplier whose qualification has not been suspended by government agencies (including a supplier specifically designated by the official in charge of disbursement of the procuring entity).

⑦ A supplier who has no delinquent tax liabilities.

⑧ A supplier whose business situation or trustworthiness is deemed not to have significantly deteriorated, and whose proper performance of a contract can be guaranteed.

⑨ A supplier who has been given a briefing on the outline of "unused state-owned land management services" at the tender briefing session.

⑩ A supplier who is not judged to be inappropriate as the other party to the contract on account of having violated any of the clauses of a contract concluded with an official-in-charge from the relevant local bureaus, branch bureaus, divisions or offices, or having been awarded as a winning tenderer of the tender implemented by said official but refused to conclude the contract without any justifiable reason, or having committed any illegal or unfair act in relation to business affairs, such as tender procedures, of the relevant local bureaus, branch bureaus, divisions or offices.

⑪ Submission of Tender by Tendering Group

(i) In cases where a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more service suppliers (hereinafter the "tendering group"). In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare a written agreement for the formation of a tendering group and submit it. For implementing the unused state-owned land management services, the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also coordinate with the government so that the services will be implemented in a smooth and efficient manner. A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.

(ii) The representative and members of the group shall satisfy all of the requirements specified in items (1) to (10) above (With regard to the requirements set out in item (5) above, it is sufficient that the group as a whole satisfies all these requirements; however,
