⑤ A supplier who has no delinquent tax liabilities.

⑥ A supplier whose business situation or trustworthiness is deemed not to have significantly deteriorated, and whose proper performance of a contract can be guaranteed.

⑦ A supplier who has been given a briefing on the outline of "unused state-owned land management services" at the tender briefing session, etc.

⑧ A supplier whose qualification has not been suspended by government agencies (including a supplier specifically designated by the official in charge of disbursement of procuring entity).

⑨ A supplier who is not judged to be inappropriate as the other party to the contract on account of having violated any of the clauses of a contract concluded with an official-in-charge from the relevant local bureaus, branch bureaus, divisions or offices, or having been awarded as a winning tenderer of the tender implemented by said official but refused to conclude the contract without any justifiable reason, or having committed any illegal or unfair act in relation to business affairs, such as tender procedures, of the relevant local bureaus, branch bureaus, divisions or offices.

⑩ With regard to a qualified tenderer who meets requirements (i) through (xvi) above and who, in connection with the construction works, land survey, or consultant services, etc., is eligible in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2013 and 2014, shall be one who has not filed a petition for the commencement of reorganization procedures under the Corporate Reorganization Act (Act No. 154 of 2002), or one who has not filed a petition for commencement of rehabilitation procedures under the Civil Rehabilitation Act (Act No. 225 of 1999). With regard to a supplier who has filed a petition for commencement of reorganization procedures under the Corporate Reorganization Act or a supplier who has filed a petition for commencement of rehabilitation procedures under the Civil Rehabilitation Act, shall have obtained a recertification of qualification for participation in the tendering procedures after the time of issuance of the order of commencement of procedures.

⑪ Submission of Tender by Tendering Group

(i) In cases where, due to geographical locations and other factors, a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more service suppliers capable of properly implementing the unused state-owned land management services in the relevant service area (hereinafter the "tendering group"). In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare a written agreement for the creation of a tendering group and submit it. For implementing the unused state-owned land management services, the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also coordinate with the government so that the services will be implemented in a smooth and efficient manner. A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.
