2. Each Contracting Party shall, upon request by the other Contracting Party, promptly respond to specific questions and provide that other Contracting Party with information on matters set out in paragraph 1, including that relating to contract each Contracting Party enters into with regard to investment.

3. Paragraphs 1 and 2 shall not be construed so as to oblige either Contracting Party to disclose confidential information, the disclosure of which would impede law enforcement or otherwise be contrary to the public interest, or which would prejudice privacy or legitimate commercial interests.

Each Contracting Party shall ensure that measures and efforts are undertaken to prevent and combat corruption regarding matters covered by this Agreement in accordance with its laws and regulations.

Article 10
Entry, Sojourn and Residence

Each Contracting Party shall, in accordance with its applicable laws and regulations, give sympathetic consideration to applications for the entry, sojourn and residence of a natural person having the nationality of the other Contracting Party who wishes to enter the territory of the former Contracting Party and to remain therein for the purpose of business activities in connection with investments.

Article 11
Expropriation and Compensation

1. Neither Contracting Party shall expropriate or nationalise investments in its Area of investors of the other Contracting Party or take any measure equivalent to expropriation or nationalisation (hereinafter referred to as "expropriation") except:

(a) for a public purpose;

(b) in a non-discriminatory manner;

(c) upon payment of prompt, adequate and effective compensation pursuant to paragraphs 2, 3 and 4; and

(d) in accordance with due process of law and Article 5.

2. The compensation shall be equivalent to the fair market value of the expropriated investments at the time when the expropriation was publicly announced or when the expropriation occurred, whichever is the earlier. The fair market value shall not reflect any change in value occurring because the expropriation had become publicly known earlier.

3. The compensation shall be paid without delay and shall include interest at a commercially reasonable rate, taking into account the length of time until the time of payment. It shall be readily realisable and freely transferable, and shall be freely convertible into the currency of the Contracting Party of the investors concerned and into freely usable currencies, at the market exchange rate prevailing on the date of expropriation.

4. Without prejudice to the provisions of Article 17, the investors affected by expropriation shall have a right of access to the courts of justice or administrative tribunals or agencies of the Contracting Party making the expropriation to seek a prompt review of the investors' case and the amount of compensation in accordance with the principles set out in this Article.

Article 12
Compensation for Losses or Damages

1. Each Contracting Party shall accord to investors of the other Contracting Party that have suffered loss or damage relating to their investments in the Area of the former Contracting Party due to armed conflict or a state of emergency such as revolution, insurrection, civil disturbance or any other similar event in the Area of that former Contracting Party, treatment, as regards indemnification, compensation, restitution or any other settlement, that is no less favourable than that which it accords to its own investors or to investors of a non-Contracting Party, whichever is more favourable to the investors of the other Contracting Party.

2. Any payment as a means of settlement referred to in paragraph 1 shall be effectively realisable, freely transferable and freely convertible at the market exchange rate prevailing at the time of payment into the currency of the Contracting Party of the investors concerned and into freely usable currencies.
