(c) on request, provide the other Party with reasonable opportunity for consultation with respect to any matter related to such prohibition or restriction with a view to minimising the negative effects on the other Party's food security.

3. The Parties shall review this Article with a view to considering the approach on avoiding the introduction or maintenance of any prohibition or restriction on the exportation or sale for export of essential food ten years after the date of entry into force of this Agreement, unless the Parties otherwise agree.

Article 7.4
Promotion and Facilitation of Investment

In order to promote investment in the food sector, each Party shall designate a contact point to respond to all enquiries from interested parties in the other Party regarding investment in the food sector and, if appropriate, to provide the relevant information.

Article 7.5
Consultations for Supply of Essential Food

1. Each Party shall designate a contact point for each essential food for prompt communication.

2. Each Party shall promptly notify the other Party when a significant decrease in the export volume of any essential food is foreseen.

3. The Parties shall enter into consultations with respect to the matters specified in paragraph 2 with a view to supporting stable trade in essential food. Such consultations shall be held by representatives of the Governments of the Parties, and the Governments of the Parties may invite representatives of other public and private entities with necessary expertise relevant to the issues to be discussed.

CHAPTER 8
ENERGY AND MINERAL RESOURCES

Article 8.1
Basic Principle

The Parties recognise the importance of strengthening their stable and mutually beneficial relationship in the energy and mineral resources sector.

Article 8.2
Definitions

For the purposes of this Chapter:

(a) the term "energy and mineral resource good" means any good listed in Annex 5 (List of Energy and Mineral Resource Goods);

(b) the term "energy and mineral resource regulatory body" means any body responsible for the regulation of energy and mineral resources;

(c) the term "energy and mineral resource regulatory measure" means any measure by one or more energy and mineral resource regulatory body that directly affects the exploration, extraction, processing, production, transportation, distribution or sale of an energy and mineral resource good; and

(d) the term "export licensing procedures" means administrative procedures, whether or not referred to as "licensing", used by a Party for the operation of export licensing regimes requiring the submission of an application or other documentation, other than that required for customs clearance purposes, to the relevant administrative body, as a prior condition for exportation from that Party.
