(c) the terms and conditions of an interconnection agreement; or

(d) a binding award or arbitration.

4. Each Party shall ensure that the procedures applicable for interconnection to a major supplier are made publicly available.

5. With respect to any major supplier in its Area, each Party shall ensure that:

(a) a reference interconnection offer or other standard interconnection offer; or

(b) the terms of the major supplier's interconnection agreement,

are published or otherwise made publicly available.

Note: For Australia, this paragraph shall only apply with respect to services deemed or declared a "declared service" by Australia's telecommunications regulatory body in accordance with the laws and regulations of Australia.

6. Each Party shall maintain appropriate measures for the purpose of preventing major suppliers in its Area from using or providing to any other persons information on suppliers of public telecommunications transport networks or services or end users thereof, including commercially sensitive information, which was acquired through interconnection with public telecommunications transport networks of other such suppliers, for purposes other than such interconnection.

Note: For Japan, the major suppliers referred to in paragraphs 2, 3 and 6 are limited to those falling under subparagraph (h)(i) of Article 10.2.

Article 10.11
Unbundling of Network Elements

Each Party shall provide its telecommunications regulatory body with the authority to require that major suppliers in its Area provide suppliers of public telecommunications transport networks or services of the other Party, with respect to linking between their telecommunications facilities, access to network components or facilities for the provision of public telecommunications transport networks or services on an unbundled basis, in a timely fashion, on terms and conditions, and at cost-oriented rates, that are reasonable, non-discriminatory and transparent.

Note: For Japan, the major suppliers referred to in this Article are limited to those falling under subparagraph (h)(i) of Article 10.2.

Article 10.12
Provisioning and Pricing of Leased Circuit Services

Each Party shall ensure that major suppliers in its Area provide suppliers of public telecommunications transport networks or services of the other Party with leased circuit services that are public telecommunications transport networks or services on terms and conditions, and at cost-oriented rates, that are reasonable, non-discriminatory (including with respect to timeliness) and transparent.

Note: For Japan, the major suppliers referred to in this Article are limited to those falling under subparagraph (h)(i) of Article 10.2.
