28	Sector:	Transport Services
	Type of Reservation:	National Treatment Local Presence (Article 9.6)
	Level of Government:	Central
	Source of Measure:	*Competition and Consumer Act 2010* (Cth)
	Description:	Every ocean carrier who provides international liner cargo shipping services to or from Australia must, at all times, be represented by a natural person who is resident in Australia. Only a person[18] affected by a registered conference agreement or by a registered non-conference ocean carrier with substantial market power may apply to the Australian Competition and Consumer Commission to examine whether conference members, and non-conference operators with substantial market power, are hindering other shipping operators from engaging efficiently in the provision of outward liner cargo services to an extent that is reasonable. For greater certainty, matters which are relevant to the determination of 'reasonable' include Australia's national interest and the interests of Australian shippers.

[18] For the purposes of this entry, sections 10.48 and 10.58 of Part X of the *Competition and Consumer Act 2010* list the categories of persons to whom this reservation will apply.
