(c) activities to direct one or more departments of an enterprise;

(d) activities which require technology or knowledge at an advanced level pertinent to physical sciences, engineering or other natural sciences, recognised under the status of residence of "Engineer" provided for in the Immigration Control and Refugee Recognition Act (Cabinet Order No. 319 of 1951); or

(e) activities which require knowledge at an advanced level pertinent to human science, including jurisprudence, economics, business management and accounting, or which require ideas and sensitivity based on culture of a country other than Japan, recognised under the status of residence of "Specialist in Humanities/International Services" provided for in the Immigration Control and Refugee Recognition Act.

Note: For the purposes of this Annex, an enterprise is "affiliated" with another enterprise when the latter can significantly affect the decision making of the former on finance and business policy.

2. Activities which require technology or knowledge at an advanced level pertinent to natural or human sciences referred to in subparagraphs 1(d) and (e) mean activities in which the natural person may not be able to engage without the application of specialised technology or knowledge of natural or human sciences acquired by him or her, by, in principle, completing college education (i.e. bachelor's degree) or higher education.
