	Description:	Enterprises that supply subscription television services must make available to subscribers, at no additional cost, those free-to-air Colombian national, regional, and municipal television channels available in the authorized area of coverage. The transmission of regional and municipal channels will be subject to the technical capacity of the subscription television operator. Suppliers of satellite subscription television only have the obligation of including in their basic programming the transmission of the public interest channels of the Colombian State. When rebroadcasting free-to-air programming subject to a domestic content quota, a subscription television provider may not modify the content of the original signal.
		Subscription television not including satellite The concessionaire of subscription television that transmits commercials different from those of origin must comply with the minimum percentages of nationally produced programming required of suppliers of free-to-air national television services as described in the entry on free-to-air television and audio-visual production services of the schedule of Colombia of this Annex. Colombia interprets Article 16 of *Acuerdo 014 de 1997* as not requiring subscription television suppliers to comply with minimum percentages of nationally produced programming when commercials are inserted into programming outside the territory of Colombia. Colombia will continue to apply this interpretation, subject to Article 6.1 (d). Suppliers of cable television services must produce and broadcast in Colombia a minimum of one hour of programming each day between 18:00 hours and 24:00 hours.
