Instructions for Certificate of Origin **Appendix 1-B**

Parties which accept this form for the purpose of preferential treatment under the Agreement between Japan and Mongolia for an Economic Partnership (hereinafter referred to as "the Agreement") are Japan and Mongolia.

General Conditions:

The conditions for the preferential tariff treatment under the Agreement are that the goods exported to Japan or Mongolia should:

i. fall within description of goods eligible for the preferential tariff treatment in Japan or Mongolia;
ii. comply with one of the requirements set out in Origin Criterion; and
iii. comply with the provisions of consignment criteria of Article 3.8 of the Agreement.

Origin Criterion:

A The good is wholly obtained or produced entirely in the Party, as defined in Article 3.3 of the Agreement.

B The good is produced entirely in the Party exclusively from originating materials of the Party.

C The good satisfies the product specific rules (change in tariff classification, qualifying value content or specific manufacturing or processing operation) set out in Annex 2 to the Agreement, as well as all other applicable requirements of Chapter 3 of the Agreement, when the good is produced entirely in the Party using non-originating materials.

Instructions for Certificate of Origin:

For the purposes of claiming preferential tariff treatment, the document should be completed legibly and in full by the exporter or its authorized agent and certified by the competent governmental authority of the exporting Party or its designees. Every item of the form should be completed in the English language. The document should be no longer valid if it is modified after the issuance, except where a modification is made in accordance with [Rule 4].

If the space of this document is insufficient to specify the necessary particulars for identifying the goods and other related information, the exporter or its authorized agent may provide the information using a second copy of this form, affixed to the original, for the additional pages.

Notice 1. Every item entered in this form should be true and correct. False declaration or documents related to the Certificate of Origin are subject to penalty in accordance with the laws and regulations of the exporting Party.

Notice 2.The Certificate of Origin is a basis of determination of origin at the customs authority of the importing Party.

Field 1: State the full name, address and country of the exporter who applies, or authorizes its agent to apply, for the Certificate of Origin.

Field 2: State the full name, address and country of the importer or consignee. As defined in subparagraph (f) of Article 3.1 of the Agreement, "importer" means a person who imports a good into the importing Party (e.g. the consignee who declares the importation).

Field 3: Provide the name of loading port, transit port and discharging port and, the name of vessel / flight number, as far as known. In case of retroactive issuance, include the date of shipment (i.e. bill of lading or airway bill date).

Field 4: Provide item number (as necessary), marks and numbers, number and kind of packages, HS tariff classification number as amended on January 1, 2012 and description of each good consigned. Marks and numbers may be succinctly described as necessary.

For each good, the HS tariff classification number should be indicated at the six-digit level.
