(e) Within 18 months from the date of the provision of the information stipulated in subparagraph (d), donor Members and respective developing country Members shall inform the Committee of the progress in the provision of assistance and support for capacity building. Each developing country Member shall, at the same time, notify its list of definitive dates for implementation.

2. With respect to those provisions that a least-developed country Member has not designated under Category A, least-developed country Members may delay implementation in accordance with the process set forth in this Article.

Least-Developed Country Member Category B

(a) No later than one year after entry into force of this Agreement, a least-developed country Member shall notify the Committee of its Category B provisions and may notify their corresponding indicative dates for implementation of these provisions, taking into account maximum flexibilities for least-developed country Members.

(b) No later than two years after the notification date stipulated under subparagraph (a) above, each least-developed country Member shall notify the Committee to confirm designations of provisions and notify its dates for implementation. If a least-developed country Member, before this deadline, believes it requires additional time to notify its definitive dates, the Member may request that the Committee extend the period sufficiently to notify its dates.

Least-Developed Country Member Category C

(c) For transparency purposes and to facilitate arrangements with donors, one year after entry into force of this Agreement, each least-developed country Member shall notify the Committee of the provisions it has designated in Category C, taking into account maximum flexibilities for least-developed country Members.

(d) One year after the date stipulated in subparagraph (c) above, least-developed country Members shall notify information on assistance and support for capacity building that the Member requires in order to implement.[20]

(e) No later than two years after the notification under subparagraph (d) above, least-developed country Members and relevant donor Members, taking into account information submitted pursuant to subparagraph (d) above, shall provide information to the Committee on the arrangements maintained or entered into that are necessary to provide assistance and support for capacity building to enable implementation of Category C.[21] The participating least-developed country Member shall promptly inform the Committee of such arrangements. The least-developed country Member shall, at the same time, notify indicative dates for implementation of corresponding Category C commitments covered by the assistance and support arrangements. The Committee shall also invite non-Member donors to provide information on existing and concluded arrangements.

(f) No later than 18 months from the date of the provision of the information stipulated in subparagraph (e), relevant donor Members and respective least-developed country Members shall inform the Committee of the progress in the provision of assistance and support for capacity building. Each least-developed country Member shall, at the same time, notify the Committee of its list of definitive dates for implementation.

3. Developing country Members and least-developed country Members experiencing difficulties in submitting definitive dates for implementation within the deadlines set out in paragraphs 1 and 2 because of the lack of donor support or lack of progress in the provision of assistance and support for capacity building should notify the Committee as early as possible prior to the expiration of those deadlines. Members agree to cooperate to assist in addressing such difficulties, taking into account the particular circumstances and special problems facing the Member concerned. The Committee shall, as appropriate, take action to address the difficulties including, where necessary, by extending the deadlines for the Member concerned to notify its definitive dates.

4. Three months before the deadline stipulated in subparagraphs 1(b) or (e), or in the case of a least-developed country Member, subparagraphs 2(b) or (f), the Secretariat shall remind a Member if that Member has not notified a definitive date for implementation of provisions that it has designated in Category B or C. If the Member does not invoke paragraph 3, or in the case of a developing country Member subparagraph 1(b), or in the case of a least-developed country Member subparagraph 2(b), to extend the deadline and still does not notify a definitive date for implementation, the Member shall implement the provisions within one year after the deadline stipulated in subparagraphs 1(b) or (e), or in the case of a least-developed country Member, subparagraphs 2(b) or (f), or extended by paragraph 3.

5. No later than 60 days after the dates for notification of definitive dates for implementation of Category B and Category C provisions in accordance with paragraphs 1, 2, or 3, the Committee shall take note of the annexes containing each Member's definitive dates for implementation of Category B and Category C provisions, including any dates set under paragraph 4, thereby making these annexes an integral part of this Agreement.

ARTICLE 17: EARLY WARNING MECHANISM: EXTENSION OF IMPLEMENTATION DATES FOR PROVISIONS IN CATEGORIES B AND C

1.

(a) A developing country Member or least-developed country Member that considers itself to be experiencing difficulty in implementing a provision that it has designated in Category B or Category C by the definitive date established under subparagraphs 1(b) or (e) of Article 16, or in the case of a least-developed country Member subparagraphs 2(b) or (f) of Article 16, should notify the Committee. Developing country Members shall notify the Committee no later than 120 days before the expiration of the implementation date. Least-developed country Members shall notify the Committee no later than 90 days before such date.

(b) The notification to the Committee shall indicate the new date by which the developing country Member or least-developed country Member expects to be able to implement the provision concerned. The notification shall also indicate the reasons for the expected delay in implementation. Such reasons may include the need for assistance and support for capacity building not earlier anticipated or additional assistance and support to help build capacity.

2. Where a developing country Member's request for additional time for implementation does not exceed 18 months or a least-developed country Member's request for additional time does not exceed 3 years, the requesting Member is entitled to such additional time without any further action by the Committee.

3. Where a developing country or least-developed country Member considers that it requires a first extension longer than that provided for in paragraph 2 or a second or any subsequent extension, it shall submit to the Committee a request for an extension containing the information described in subparagraph 1(b) no later than 120 days in respect of a developing country Member and 90 days in respect of a least-developed country Member before the expiration of the original definitive implementation date or that date as subsequently extended.

4. The Committee shall give sympathetic consideration to granting requests for extension taking into account the specific circumstances of the Member submitting the request. These circumstances may include difficulties and delays in obtaining assistance and support for capacity building.

[20] Members may also include information on national trade facilitation implementation plans or projects, the domestic agency or entity responsible for implementation, and the donors with which the Member may have an arrangement in place to provide assistance.

[21] Such arrangements will be on mutually agreed terms, either bilaterally or through appropriate international organizations, consistent with paragraph 3 of Article 21.
