ARTICLE 18: IMPLEMENTATION OF CATEGORY B AND CATEGORY C

1. In accordance with paragraph 2 of Article 13, if a developing country Member or a least-developed country Member, having fulfilled the procedures set forth in paragraphs 1 or 2 of Article 16 and in Article 17, and where an extension requested has not been granted or where the developing country Member or least-developed country Member otherwise experiences unforeseen circumstances that prevent an extension being granted under Article 17, self-assesses that its capacity to implement a provision under Category C continues to be lacking, that Member shall notify the Committee of its inability to implement the relevant provision.

2. The Committee shall establish an Expert Group immediately, and in any case no later than 60 days after the Committee receives the notification from the relevant developing country Member or least-developed country Member. The Expert Group will examine the issue and make a recommendation to the Committee within 120 days of its composition.

3. The Expert Group shall be composed of five independent persons that are highly qualified in the fields of trade facilitation and assistance and support for capacity building. The composition of the Expert Group shall ensure balance between nationals from developing and developed country Members. Where a least-developed country Member is involved, the Expert Group shall include at least one national from a least-developed country Member. If the Committee cannot agree on the composition of the Expert Group within 20 days of its establishment, the Director-General, in consultation with the chair of the Committee, shall determine the composition of the Expert Group in accordance with the terms of this paragraph.

4. The Expert Group shall consider the Member's self-assessment of lack of capacity and shall make a recommendation to the Committee. When considering the Expert Group's recommendation concerning a least-developed country Member, the Committee shall, as appropriate, take action that will facilitate the acquisition of sustainable implementation capacity.

5. The Member shall not be subject to proceedings under the Dispute Settlement Understanding on this issue from the time the developing country Member notifies the Committee of its inability to implement the relevant provision until the first meeting of the Committee after it receives the recommendation of the Expert Group. At that meeting, the Committee shall consider the recommendation of the Expert Group. For a least-developed country Member, the proceedings under the Dispute Settlement Understanding shall not apply to the respective provision from the date of notification to the Committee of its inability to implement the provision until the Committee makes a decision on the issue, or within 24 months after the date of the first Committee meeting set out above, whichever is earlier.

6. Where a least-developed country Member loses its ability to implement a Category C commitment, it may inform the Committee and follow the procedures set out in this Article.

ARTICLE 19: SHIFTING BETWEEN CATEGORIES B AND C

1. Developing country Members and least-developed country Members who have notified provisions under Categories B and C may shift provisions between such categories through the submission of a notification to the Committee. Where a Member proposes to shift a provision from Category B to Category C, the Member shall provide information on the assistance and support required to build capacity.

2. In the event that additional time is required to implement a provision shifted from Category B to Category C, the Member may:

(a) use the provisions of Article 17, including the opportunity for an automatic extension; or

(b) request an examination by the Committee of the Member's request for extra time to implement the provision and, if necessary, for assistance and support for capacity building, including the possibility of a review and recommendation by the Expert Group under Article 18; or

(c) in the case of a least-developed country Member, any new implementation date of more than four years after the original date notified under Category B shall require approval by the Committee. In addition, a least-developed country Member shall continue to have recourse to Article 17. It is understood that assistance and support for capacity building is required for a least-developed country Member so shifting.

ARTICLE 20: GRACE PERIOD FOR THE APPLICATION OF THE UNDERSTANDING ON RULES AND PROCEDURES GOVERNING THE SETTLEMENT OF DISPUTES

1. For a period of two years after entry into force of this Agreement, the provisions of Articles XXII and XXIII of GATT 1994 as elaborated and applied by the Understanding on Rules and Procedures Governing the Settlement of Disputes shall not apply to the settlement of disputes against a developing country Member concerning any provision that the Member has designated in Category A.

2. For a period of six years after entry into force of this Agreement, the provisions of Articles XXII and XXIII of GATT 1994 as elaborated and applied by the Understanding on Rules and Procedures Governing the Settlement of Disputes shall not apply to the settlement of disputes against a least-developed country Member concerning any provision that the Member has designated in Category A.

3. For a period of eight years after implementation of a provision under Category B or C by a least-developed country Member, the provisions of Articles XXII and XXIII of GATT 1994 as elaborated and applied by the Understanding on Rules and Procedures Governing the Settlement of Disputes shall not apply to the settlement of disputes against that least-developed country Member concerning that provision.

4. Notwithstanding the grace period for the application of the Understanding on Rules and Procedures Governing the Settlement of Disputes, before making a request for consultations pursuant to Articles XXII or XXIII of GATT 1994, and at all stages of dispute settlement procedures with regard to a measure of a least-developed country Member, a Member shall give particular consideration to the special situation of least-developed country Members. In this regard, Members shall exercise due restraint in raising matters under the Understanding on Rules and Procedures Governing the Settlement of Disputes involving least-developed country Members.

5. Each Member shall, upon request, during the grace period allowed under this Article, provide adequate opportunity to other Members for discussion with respect to any issue relating to the implementation of this Agreement.

ARTICLE 21: PROVISION OF ASSISTANCE AND SUPPORT FOR CAPACITY BUILDING

1. Donor Members agree to facilitate the provision of assistance and support for capacity building to developing country and least-developed country Members on mutually agreed terms either bilaterally or through the appropriate international organizations. The objective is to assist developing country and least-developed country Members to implement the provisions of Section I of this Agreement.

2. Given the special needs of least-developed country Members, targeted assistance and support should be provided to the least-developed country Members so as to help them build sustainable capacity to implement their commitments. Through the relevant development cooperation mechanisms and consistent with the principles of technical assistance and support for capacity building as referred to in paragraph 3, development partners shall endeavour to provide assistance and support for capacity building in this area in a way that does not compromise existing development priorities.

3. Members shall endeavour to apply the following principles for providing assistance and support for capacity building with regard to the implementation of this Agreement:
