PART II.

HYBRID MISMATCHES

Article 3 – Transparent Entities

1. For the purposes of a Covered Tax Agreement, income derived by or through an entity or arrangement that is treated as wholly or partly fiscally transparent under the tax law of either Contracting Jurisdiction shall be considered to be income of a resident of a Contracting Jurisdiction but only to the extent that the income is treated, for purposes of taxation by that Contracting Jurisdiction, as the income of a resident of that Contracting Jurisdiction.

2. Provisions of a Covered Tax Agreement that require a Contracting Jurisdiction to exempt from income tax or provide a deduction or credit equal to the income tax paid with respect to income derived by a resident of that Contracting Jurisdiction which may be taxed in the other Contracting Jurisdiction according to the provisions of the Covered Tax Agreement shall not apply to the extent that such provisions allow taxation by that other Contracting Jurisdiction solely because the income is also income derived by a resident of that other Contracting Jurisdiction.

3. With respect to Covered Tax Agreements for which one or more Parties has made the reservation described in subparagraph a) of paragraph 3 of Article 11 (Application of Tax Agreements to Restrict a Party's Right to Tax its Own Residents), the following sentence will be added at the end of paragraph 1: "In no case shall the provisions of this paragraph be construed to affect a Contracting Jurisdiction's right to tax the residents of that Contracting Jurisdiction."

4. Paragraph 1 (as it may be modified by paragraph 3) shall apply in place of or in the absence of provisions of a Covered Tax Agreement to the extent that they address whether income derived by or through entities or arrangements that are treated as fiscally transparent under the tax law of either Contracting Jurisdiction (whether through a general rule or by identifying in detail the treatment of specific fact patterns and types of entities or arrangements) shall be treated as income of a resident of a Contracting Jurisdiction.

5. A Party may reserve the right:

   a) for the entirety of this Article not to apply to its Covered Tax Agreements;

   b) for paragraph 1 not to apply to its Covered Tax Agreements that already contain a provision described in paragraph 4;

   c) for paragraph 1 not to apply to its Covered Tax Agreements that already contain a provision described in paragraph 4 which denies treaty benefits in the case of income derived by or through an entity or arrangement established in a third jurisdiction;

   d) for paragraph 1 not to apply to its Covered Tax Agreements that already contain a provision described in paragraph 4 which identifies in detail the treatment of specific fact patterns and types of entities or arrangements;

   e) for paragraph 1 not to apply to its Covered Tax Agreements that already contain a provision described in paragraph 4 which identifies in detail the treatment of specific fact patterns and types of entities or arrangements and denies treaty benefits in the case of income derived by or through an entity or arrangement established in a third jurisdiction;

   f) for paragraph 2 not to apply to its Covered Tax Agreements;

   g) for paragraph 1 to apply only to its Covered Tax Agreements that already contain a provision described in paragraph 4 which identifies in detail the treatment of specific fact patterns and types of entities or arrangements.

6. Each Party that has not made a reservation described in subparagraph a) or b) of paragraph 5 shall notify the Depositary of whether each of its Covered Tax Agreements contains a provision described in paragraph 4 that is not subject to a reservation under subparagraphs c) through e) of paragraph 5, and if so, the article and paragraph number of each such provision. In the case of a Party that has made the reservation described in subparagraph g) of paragraph 5, the notification pursuant to the preceding sentence shall be limited to Covered Tax Agreements that are subject to that reservation. Where all Contracting Jurisdictions have made such a notification with respect to a provision of a Covered Tax Agreement, that provision shall be replaced by the provisions of paragraph 1 (as it may be modified by paragraph 3) to the extent provided in paragraph 4. In other cases, paragraph 1 (as it may be modified by paragraph 3) shall supersede the provisions of the Covered Tax Agreement only to the extent that those provisions are incompatible with paragraph 1 (as it may be modified by paragraph 3).

Article 4 – Dual Resident Entities

1. Where by reason of the provisions of a Covered Tax Agreement a person other than an individual is a resident of more than one Contracting Jurisdiction, the competent authorities of the Contracting Jurisdictions shall endeavour to determine by mutual agreement the Contracting Jurisdiction of which such person shall be deemed to be a resident for the purposes of the Covered Tax Agreement, having regard to its place of effective management, the place where it is incorporated or otherwise constituted and any other relevant factors. In the absence of such agreement, such person shall not be entitled to any relief or exemption from tax provided by the Covered Tax Agreement except to the extent and in such manner as may be agreed upon by the competent authorities of the Contracting Jurisdictions.

2. Paragraph 1 shall apply in place of or in the absence of provisions of a Covered Tax Agreement that provide rules for determining whether a person other than an individual shall be treated as a resident of one of the Contracting Jurisdictions in cases in which that person would otherwise be treated as a resident of more than one Contracting Jurisdiction. Paragraph 1 shall not apply, however, to provisions of a Covered Tax Agreement specifically addressing the residence of companies participating in dual-listed company arrangements.

3. A Party may reserve the right:

   a) for the entirety of this Article not to apply to its Covered Tax Agreements;

   b) for the entirety of this Article not to apply to its Covered Tax Agreements that already address cases where a person other than an individual is a resident of more than one Contracting Jurisdiction by requiring the competent authorities of the Contracting Jurisdictions to endeavour to reach mutual agreement on a single Contracting Jurisdiction of residence;

   c) for the entirety of this Article not to apply to its Covered Tax Agreements that already address cases where a person other than an individual is a resident of more than one Contracting Jurisdiction by denying treaty benefits without requiring the competent authorities of the Contracting Jurisdictions to endeavour to reach mutual agreement on a single Contracting Jurisdiction of residence;
