c) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs a) and b), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

4. A provision of a Covered Tax Agreement (as it may be modified by paragraph 2 or 3) that lists specific activities deemed not to constitute a permanent establishment shall not apply to a fixed place of business that is used or maintained by an enterprise if the same enterprise or a closely related enterprise carries on business activities at the same place or at another place in the same Contracting Jurisdiction and:

a) that place or other place constitutes a permanent establishment for the enterprise or the closely related enterprise under the provisions of a Covered Tax Agreement defining a permanent establishment; or

b) the overall activity resulting from the combination of the activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, is not of a preparatory or auxiliary character,

provided that the business activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, constitute complementary functions that are part of a cohesive business operation.

5. a) Paragraph 2 or 3 shall apply in place of the relevant parts of provisions of a Covered Tax Agreement that list specific activities that are deemed not to constitute a permanent establishment even if the activity is carried on through a fixed place of business (or provisions of a Covered Tax Agreement that operate in a comparable manner).

b) Paragraph 4 shall apply to provisions of a Covered Tax Agreement (as they may be modified by paragraph 2 or 3) that list specific activities that are deemed not to constitute a permanent establishment even if the activity is carried on through a fixed place of business (or provisions of a Covered Tax Agreement that operate in a comparable manner).

6. A Party may reserve the right:

a) for the entirety of this Article not to apply to its Covered Tax Agreements;

b) for paragraph 2 not to apply to its Covered Tax Agreements that explicitly state that a list of specific activities shall be deemed not to constitute a permanent establishment only if each of the activities is of a preparatory or auxiliary character;

c) for paragraph 4 not to apply to its Covered Tax Agreements.

7. Each Party that chooses to apply an Option under paragraph 1 shall notify the Depositary of its choice of Option. Such notification shall also include the list of its Covered Tax Agreements which contain a provision described in subparagraph a) of paragraph 5, as well as the article and paragraph number of each such provision. An Option shall apply with respect to a provision of a Covered Tax Agreement only where all Contracting Jurisdictions have chosen to apply the same Option and have made such a notification with respect to that provision.

8. Each Party that has not made a reservation described in subparagraph a) or c) of paragraph 6 and does not choose to apply an Option under paragraph 1 shall notify the Depositary of whether each of its Covered Tax Agreements contains a provision described in subparagraph b) of paragraph 5, as well as the article and paragraph number of each such provision. Paragraph 4 shall apply with respect to a provision of a Covered Tax Agreement only where all Contracting Jurisdictions have made a notification with respect to that provision under this paragraph or paragraph 7.

Article 14 – Splitting-up of Contracts

1. For the sole purpose of determining whether the period (or periods) referred to in a provision of a Covered Tax Agreement that stipulates a period (or periods) of time after which specific projects or activities shall constitute a permanent establishment has been exceeded:

a) where an enterprise of a Contracting Jurisdiction carries on activities in the other Contracting Jurisdiction at a place that constitutes a building site, construction project, installation project or other specific project identified in the relevant provision of the Covered Tax Agreement, or carries on supervisory or consultancy activities in connection with such a place, in the case of a provision of a Covered Tax Agreement that refers to such activities, and these activities are carried on during one or more periods of time that, in the aggregate, exceed 30 days without exceeding the period or periods referred to in the relevant provision of the Covered Tax Agreement; and

b) where connected activities are carried on in that other Contracting Jurisdiction at (or, where the relevant provision of the Covered Tax Agreement applies to supervisory or consultancy activities, in connection with) the same building site, construction or installation project, or other place identified in the relevant provision of the Covered Tax Agreement during different periods of time, each exceeding 30 days, by one or more enterprises closely related to the first-mentioned enterprise,

these different periods of time shall be added to the aggregate period of time during which the first-mentioned enterprise has carried on activities at that building site, construction or installation project, or other place identified in the relevant provision of the Covered Tax Agreement.

2. Paragraph 1 shall apply in place of or in the absence of provisions of a Covered Tax Agreement to the extent that such provisions address the division of contracts into multiple parts to avoid the application of a time period or periods in relation to the existence of a permanent establishment for specific projects or activities described in paragraph 1.

3. A Party may reserve the right:

a) for the entirety of this Article not to apply to its Covered Tax Agreements;

b) for the entirety of this Article not to apply with respect to provisions of its Covered Tax Agreements relating to the exploration for or exploitation of natural resources.

4. Each Party that has not made a reservation described in subparagraph a) of paragraph 3 shall notify the Depositary of whether each of its Covered Tax Agreements contains a provision described in paragraph 2 that is not subject to a reservation under subparagraph b) of paragraph 3, and if so, the article and paragraph number of each such provision. Where all Contracting Jurisdictions have made such a notification with respect to a provision of a Covered Tax Agreement, that provision shall be replaced by the provisions of paragraph 1 to the extent provided in paragraph 2. In other cases, paragraph 1 shall supersede the provisions of the Covered Tax Agreement only to the extent that those provisions are incompatible with paragraph 1.
