(h) if the origin criterion was based on weight, the weight of the product as well as the weight of the relevant non-originating or, as appropriate to establish compliance with the weight requirement, originating materials used in the product;

(i) if the origin criterion was based on a change in tariff classification, a list of all the non-originating materials including their tariff classification number under the Harmonized System (in two-, four- or six-digit format depending on the origin criteria); or

(j) the information relating to the compliance with the provision on non-alteration referred to in Article 3.10.

3. When providing the requested information, the importer may add any other information that it considers relevant for the purpose of verification.

4. If the claim for preferential tariff treatment was based on a statement on origin referred to in subparagraph 2(a) of Article 3.16, the importer shall inform the customs authority of the importing Party when the requested information may be provided in full or in relation to one or more data elements by the exporter directly.

5. If the claim for preferential tariff treatment was based on the importer's knowledge referred to in subparagraph 2(b) of Article 3.16, after having first requested information in accordance with paragraph 1 of this Article, the customs authority of the importing Party conducting the verification may request information from the importer if that customs authority considers that additional information is necessary in order to verify the originating status of the product. The customs authority of the importing Party may request the importer for specific documentation and information, if appropriate.

6. If the customs authority of the importing Party decides to suspend the granting of preferential tariff treatment to the product concerned while awaiting the results of the verification, release of the product shall be offered to the importer subject to appropriate precautionary measures including guarantees. Any suspension of preferential tariff treatment shall be terminated as soon as possible after the originating status of the product concerned or the fulfilment of the other requirements of this Chapter has been ascertained by the customs authority of the importing Party.
