ARTICLE 8.7

Market access

A Party shall not maintain or adopt, with regard to market access through establishment or operation by an entrepreneur of the other Party or by a covered enterprise, either on the basis of a territorial subdivision or on the basis of its entire territory, measures that:

(a) impose limitations on[1]:

(i) the number of enterprises, whether in the form of numerical quotas, monopolies, exclusive rights or the requirements of an economic needs test;

(ii) the total value of transactions or assets in the form of numerical quotas or the requirement of an economic needs test;

(iii) the total number of operations or the total quantity of output expressed in terms of designated numerical units in the form of quotas or the requirement of an economic needs test;

(iv) the participation of foreign capital in terms of maximum percentage limit on foreign shareholding or the total value of individual or aggregate foreign investment; or

(v) the total number of natural persons that may be employed in a particular sector or that an enterprise may employ and who are necessary for, and directly related to, the performance of the economic activity in the form of numerical quotas or the requirement of an economic needs test; or

(b) restrict or require specific types of legal entity or joint venture through which an entrepreneur of the other Party may perform an economic activity.

[1] Subparagraphs (a)(i) to (iii) do not cover measures taken in order to limit the production of an agricultural good.
