(c) the separation of a procuring entity listed in Part 2 of Annex 10 into two or more procuring entities that are added to the procuring entities listed in the same paragraph of that Part; and

(d) updates of indicative lists such as those set out in paragraph 3 of Section A of Part 2 of Annex 10, subparagraph 1(b) of Section B of Part 2 of Annex 10, or in Annexes 2 and 3 of the European Union to Appendix I to the GPA.

8. In the case of intended rectifications, the Party shall notify the other Party in writing every two years, in line with the cycle of notifications provided for in the Decision of the Committee on Government Procurement on Notification Requirements under Articles XIX and XXII of the Agreement adopted on 30 March 2012 (GPA/113), following the entry into force of this Agreement.

9. The other Party may, within 45 days from the date of receipt of the notification pursuant to paragraph 8, submit an objection in writing to the Party intending to rectify its commitments. The Party submitting an objection shall set out the reasons why it believes the intended rectification is not a change provided for in paragraph 7, and describe the effect of the intended rectification on the mutually agreed coverage provided for in this Agreement. If no such objection is submitted in writing within 45 days from the date of receipt of the notification, the intended rectification shall be deemed to have been accepted.

10. If the Party objects to the intended modification or rectification, or to the proposed compensatory adjustment, the Parties shall seek to resolve the issue through consultations. If no agreement between the Parties is reached within 150 days from the date of receipt of the notification of the objection, the Party intending to modify or rectify its commitments may have recourse to dispute settlement under Chapter 21 to determine whether the objection is justified. An intended modification or rectification in respect of which an objection has been submitted, shall be deemed to have been accepted only when so agreed through the consultations or so decided by the panel established pursuant to Article 21.7.

ARTICLE 10.15

Cooperation

The Parties shall endeavour to cooperate with a view to achieving enhanced understanding of their respective government procurement markets. The Parties also recognise that the involvement of related industries of the Parties, through means such as dialogues, is important for that purpose.
