(f) Provision of combined transport services (CPC 711, 712, 7212, 741, 742, 743, 744, 745, 748, 749)

With respect to Investment liberalisation - Market access and Cross-border trade in services - Market access:

The **EU** (applies also to the regional level of government): With the exception of Finland: only hauliers established in a Member State of the European Union who meet the conditions of access to the occupation and access to the market for transport of goods between Member States of the European Union may, in the context of a combined transport operation between Member States of the European Union, carry out initial or final road haulage legs which form an integral part of the combined transport operation and which may or may not include the crossing of a frontier. Limitations affecting any given modes of transport apply.

Necessary measures can be taken to ensure that the motor vehicle taxes applicable to road vehicles routed in combined transport are reduced or reimbursed (CPC 711, 712, 7212, 741, 742, 743, 744, 745, 748, 749).

Measures:
EU: Directive 1992/106/EEC of 7 December 1992 on the establishment of common rules for certain types of combined transport of goods between Member States.
