Description: <u>Investment liberalisation and Cross-border trade in services</u>

1. A person who intends to supply the following services for enterprises in Japan is required to have a place of business in Japan and to obtain permission from, or to submit notification to, the competent authority, as applicable:
   (a) private job placement services including fee-charging job placement services for construction workers and job placement services for seafarers; or
   (b) worker dispatching services including stevedore dispatching services, mariner dispatching services and work opportunities securing services for construction workers.
2. Labour supply services may be supplied only by a labour union which has obtained permission from the competent authority pursuant to the Employment Security Law or Mariner's Employment Security Law.
