(c) the supply of a service through the presence of a natural person of a Party in the territory of the other Party, in accordance with Article 8.24.

2. If the procedures referred to in paragraph 1 are not independent of the agency entrusted with the administrative decision concerned, each Party shall ensure that the procedures in fact provide for an objective and impartial review.

ARTICLE 8.35

Mutual recognition

1. Nothing in this Section shall prevent a Party from requiring that natural persons must possess the necessary qualifications or professional experience specified in the territory where the service is supplied, for the sector of activity concerned.

2. Each Party shall encourage the relevant professional bodies in its territory to provide joint recommendations on mutual recognition to the Committee, for the purpose of the fulfilment, in whole or in part, by entrepreneurs and service suppliers of the criteria applied by that Party for the authorisation, licensing, operation and certification of entrepreneurs and service suppliers, and, in particular, in the sector of professional services.

3. On receipt of a joint recommendation referred to in paragraph 2, the Committee shall, within a reasonable period of time, review that recommendation with a view to ensuring its consistency with this Agreement and, on the basis of the information contained therein, assess in particular:

(a) the extent to which the standards and criteria applied by each Party for the authorisation, licensing, operation and certification referred to in paragraph 2 are converging; and

(b) the potential economic value of a mutual recognition agreement for the authorisation, licensing, operation and certification referred to in paragraph 2.

4. Where those requirements are satisfied, the Committee shall establish the necessary steps to negotiate. Thereafter the Parties shall enter into negotiations, through their competent authorities, of a mutual recognition agreement for the authorisation, licensing, operation and certification referred to in paragraph 2.

5. Any mutual recognition agreement that the Parties may conclude shall be in conformity with the relevant provisions of the WTO Agreement and, in particular, Article VII of GATS.
