(c) cooperate to facilitate and promote trade and investment in environmental goods and services, in a manner consistent with this Agreement, including through the exchange of information;

(d) cooperate on labelling schemes, including through the exchange of information on eco-labels, as well as other measures and initiatives that contribute to sustainability, including as appropriate fair and ethical trade schemes;

(e) cooperate to promote corporate social responsibility, notably through the exchange of information and best practices, including on adherence, implementation, follow-up, and dissemination of internationally agreed guidelines and principles;

(f) cooperate on trade-related aspects of ILO's Decent Work Agenda;

(g) cooperate on trade-related aspects of multilateral environmental agreements, including through the exchange of views and information on the implementation of CITES and through technical and customs cooperation;

(h) cooperate on trade-related aspects of the international climate change regime, including on means to promote low-carbon technologies, other climate-friendly technologies and energy efficiency;

(i) cooperate to promote the conservation and sustainable use of biological diversity, including combatting illegal trade in endangered species of wild fauna and flora;

(j) cooperate to promote the conservation and sustainable management of forests and trade in legally harvested timber and timber products, as well as to combat illegal logging; and

(k) cooperate, bilaterally or through appropriate international organisations or bodies in which both Parties participate, to promote sustainable fishing and aquaculture practices and trade in legally obtained fisheries resources, as well as to combat IUU fishing.

ARTICLE 16.13

Committee on Trade and Sustainable Development

1. The Committee on Trade and Sustainable Development established pursuant to Article 23.3 (hereinafter referred to in this Chapter as "the Committee") shall be responsible for the effective implementation and operation of this Chapter.

2. The Committee shall have the following functions:

(a) reviewing and monitoring the implementation and operation of this Chapter and, when necessary, making appropriate recommendations to the Joint Committee for its consideration related to subparagraph 5(d) of Article 23.1;

(b) considering any other matter related to this Chapter as the Parties may agree;

(c) interacting with civil society[1] on the implementation of this Chapter;

(d) carrying out other functions as may be delegated by the Joint Committee pursuant to subparagraph 5(b) of Article 23.1; and

(e) seeking solutions to resolve differences between the Parties as to the interpretation or application of this Chapter, including through the procedures pursuant to paragraph 5 of Article 16.17.[2]

3. The Committee shall meet within one year of the date of entry into force of this Agreement. Thereafter, the Committee shall meet in accordance with subparagraph 3(a) of Article 23.3 without prejudice to procedures pursuant to paragraph 5 of Article 16.17.

---

[1] For the purposes of this Chapter, "civil society" means independent economic, social and environmental stakeholders, including employers' and workers' organisations and environmental groups.

[2] For greater certainty, the advice provided under paragraph 4 of Article 16.17 is taken into account in the work carried out by the Committee pursuant to this subparagraph.
