Description: Investment liberalisation and Cross-border trade in services

1. Nationality requirement applies to the supply of international maritime transport services (including services of passenger transportation and freight transportation) through establishment of a registered company operating a fleet flying the Japanese flag.

2. "Nationality requirement" means that the ship is required to be owned by a Japanese national, or a company established under the laws and regulations of Japan, of which all the representatives and not less than two-thirds of the executives administering the affairs are Japanese nationals.
