SECTION H

COMMUNICATIONS, CONSULTATIONS AND SUPPORT

ARTICLE 30

Communications

Subject to the exceptions decided by the technical agents on a case-by-case basis, all communications between the competent authorities of the Parties, including documentation as detailed in the technical implementation procedures, shall be made in the English language.

ARTICLE 31

Technical consultations

1. The technical agents shall address issues concerning the implementation of this Annex through consultations.

2. If a mutually acceptable solution is not reached through the consultations held in accordance with paragraph 1 of this Article, the technical agent of each Party may refer the issue referred to in paragraph 1 of this Article to the Certification Oversight Board.

3. If the issue is not resolved by the Certification Oversight Board, each Party may refer the issue referred to in paragraph 1 of this Article to the Joint Committee established by Article 11 of this Agreement.

ARTICLE 32

Support for certification and continued airworthiness oversight activities

Upon request, after mutual consent, and as resources permit, the competent authority of a Party may provide technical support, data and information to the competent authority of the other Party in certification and continued airworthiness oversight activities related to design, production and environmental protection. The support to be provided and the process for providing such support shall be detailed in the technical implementation procedures.
