5. A notification made pursuant to paragraph 3 shall specify the level of the intended suspension of concessions or other obligations and indicate the relevant sector or sectors in which the Complaining Party proposes to suspend such concessions or other obligations.

6. In considering what concessions or other obligations to suspend, the Complaining Party shall apply the following principles:

   (a) the Complaining Party should first seek to suspend concessions or other obligations in the same sector or sectors in which the panel has determined that there is non-conformity with, or failure to carry out an obligation under this Agreement; and

   (b) if the Complaining Party considers that it is not practicable or effective to suspend concessions or other obligations in the same sector or sectors, it may suspend concessions or other obligations in other sectors.

7. The level of the suspension of concessions or other obligations shall be equivalent to the level of nullification or impairment.

8. If the Responding Party:

   (a) objects to the level of suspension proposed; or

   (b) considers that it has observed the terms and conditions of the compensation agreement; or

   (c) considers that the principles set out in paragraph 6 have not been followed,

   it may, within 30 days of the date of the receipt of the notification made pursuant to paragraph 3, request the reconvening of a panel to examine the matter by way of notification to the Complaining Party. The Responding Party shall simultaneously provide a copy of the request to the other Parties.

9. When a request is made pursuant to paragraph 8, the panel shall reconvene within 15 days of the date of the request. The reconvened panel shall provide its determination to the Parties to the dispute within 45 days of the date of its reconvening.

10. In the event the panel reconvened pursuant to paragraph 9 determines that the level of suspension is not equivalent to the level of nullification or impairment, it shall determine the appropriate level of suspension it considers to be of equivalent effect. In the event the panel determines that the Responding Party has observed the terms and conditions of the compensation agreement, the Complaining Party shall not suspend concessions or other obligations referred to in paragraph 3. In the event the panel determines that the Complaining Party has not followed the principles set out in paragraph 6, the Complaining Party shall apply them consistently with that paragraph.

11. The Complaining Party may suspend concessions or other obligations only in a manner consistent with the panel's determination referred to in paragraph 10.

12. The suspension of concessions or other obligations shall be temporary and shall only be applied until such time as the obligation under paragraph 1 of Article 19.15 (Implementation of the Final Report) has been complied with or a mutually agreed solution has been reached.

13. Where:

   (a) the right to suspend concessions or other obligations has been exercised by the Complaining Party under this Article;

   (b) the Responding Party has made a notification pursuant to paragraph 7 of Article 19.15 (Implementation of the Final Report) that it has complied with the obligation under paragraph 1 of Article 19.15 (Implementation of the Final Report); and

   (c) the Parties to the dispute disagree on the existence or consistency with this Agreement of any measure taken to comply with the obligation under paragraph 1 of Article 19.15 (Implementation of the Final Report),

   any Party to the dispute may request the reconvening of a panel to examine the matter by way of notification to the other Party to the dispute. The requesting Party shall simultaneously provide a copy of the request to the other Parties.[5]
