Attachment 3

Distribution Services

Distribution trade services are comprised of four main sub-sectors:

- commission agents services;
- wholesaling;
- retailing; and
- franchising.

The principal services rendered in each subsector can be characterised as reselling merchandise, accompanied by a variety of related subordinated services, including inventory management; assembly, sorting and grading of bulk lots; breaking bulk lots and redistributing into smaller lots; delivery services; refrigeration, storage, warehousing and garage services; sales promotion, marketing and advertising, installation and after sales services including maintenance and repair and training services. Distribution services are generally covered by CPC 61, 62, 63, and 8929.

Commission Agents' Services consist of sales on a fee or contract basis by an agent, broker or auctioneer, or other wholesalers of goods/merchandise and related subordinated services.

Wholesaling consists of the sale of goods/merchandise to retailers to industrial, commercial, institutional, or other professional business users, or to other wholesalers and related subordinated services.

Retailing services consist of the sale of goods/merchandise for personal or household consumption either from a fixed location (e.g., store, kiosk, etc.) or away from a fixed location and related subordinated services.

Franchising services consist of the sale of the use of a product, trade name, or particular business format system in exchange for fees or royalties. Product and trade name franchising involves the use of a trade name in exchange for fees or royalties and may include an obligation for exclusive sale of trade name products. Business format franchising involves the use of an entire business concept in exchange for fees and royalties, and may include the use of a trade name, business plan, and training materials and related subordinated services.

Insurance: Definition of "Master Policy"

Master policy is the policy that provides blanket coverage for the same legal person's property and liabilities located in different places. Master policy may only be issued by the business department of an insurer's head office or that of its authorised province-level branch offices. Other branches are not allowed to issue master policy.

Master policy business with the state key construction projects as its subject-matter insured. If investors on the state key construction projects (i.e., projects that are so listed and annually announced by the National Development and Reform Commission) meet either of the following requirements, they may purchase master policy from insurers that are located in the same place as the investors' legal persons do.

The investment on the subject-matter insured is all from China (including the reinvestment from the foreign-invested enterprises in China), and the sum of investment of the investor accounts for over 15 per cent of the total investment.

The investment is partially from abroad, and partially from China (including the reinvestment from the foreign-invested enterprises in China), and the sum of investment of the Chinese investor accounts for over 15 per cent for the total domestic investment.

For those projects that draw investment all from abroad, every insurer may provide coverage in the form of master policies.

Master policy covering different subjects-matter insured of the same legal person. For those subjects-matter insured located in different places and owned by the same legal person (excluding financial, railway, and post and telecommunications industries and enterprises), master policy may be issued on the basis of either of the following conditions.

For the sake of payment of premium tax, insurance companies incorporated where the legal person or accounting unit of the insurance applicant is located are allowed to issue master policy.

If over 50 per cent of insurance amount of the subject-matter insured is from a larger or medium sized city, then insurers in that city are allowed to issue master policy, no matter whether the insurance applicant's legal person or accounting unit is located in the city.

Motor insurance, credit insurance, employer liabilities insurance, statutory insurance, and other insurance business excluded by the China Banking and Insurance Regulatory Commission cannot be underwritten or co-insured by insurers located other than where the subject-insured are located, or covered under a master policy.
