C. Telecommunication Services			
Commitments hereunder are made in accordance with "Notes for Scheduling Basic Telecom Services Commitments" (S/GBT/W/2/REV.1) and "Market Access Limitations on Spectrum Availability" (S/GBT/W/3). For the purpose of these commitments, a "non-facilities-based service supplier" means a service supplier which does not own transmission capacity but contracts for such capacity including submarine cable capacity, including on a long-term basis, from a facilities-based supplier. A non-facilities-based service supplier is not otherwise excluded from owning telecommunications equipment within their premises and permitted public service provision points (POP).
