		– Sub-Decree No. 111 ANK/BK dated 27 September 2005 on the Implementation of the Law on the Amendment to the Law on Investment of the Kingdom of Cambodia

Sector	:	Manufacturing
Subsector	:	Production of poisonous chemicals, agriculture pesticide, or insecticide and other goods by using chemical substances
Industry Classification	:	ISIC 2421
Level of Government	:	National Administration and Sub-National Administration
Type of Obligation	:	National Treatment (Article 10.3) Most-Favoured-Nation Treatment (Article 10.4) Senior Management and Board of Directors (Article 10.7)
Description of Measure	:	National Treatment, Most-Favoured-Nation Treatment and Senior Management and Board of Directors shall not apply to any measure relating to the production of poisonous chemicals, and agriculture pesticide or insecticide. The production of other goods by using chemical substances, prohibited by international regulations or the World Health Organization, is prohibited for all investors. The production, processing, and registration of pesticide in the list of banned pesticides [2] in Cambodia are prohibited. The production, processing, and registration of other pesticides shall also be rejected if: 1. information and data attached to the application are false; 2. pesticide is highly toxic to public health or causes risk rather than the advantage of that pesticide usage; 3. pesticide is a phytotoxic product, that cannot compensate the losses of crop yield; 4. the efficacy of the pesticide has lower standard than what is clarified; 5. the pesticide contains persistent toxic residue in crops and in the environment.
Source of Measure	:	– Prakas No. 598 BRK.KSK dated 15 December 2003 issued by Ministry of Agriculture, Forestry and Fishery – Prakas No. 484 BRK.KSK dated 26 November

[2] The list of banned pesticides can be found in annex 1 of *Prakas No. 484 BRK. KSK* dated 26 November 2012 issued by Ministry of Agriculture, Forestry and Fishery.
