Sector	:	Fishery
Subsector	:	Inland and marine fishery
Industry Classification	:	ISIC 0500
Level of Government	:	National Administration and Sub-National Administration
Type of Obligation	:	National Treatment (Article 10.3) Senior Management and Board of Directors (Article 10.7)
Description of Measure	:	The following activities shall be prohibited for all investors: 1. fishing during closed season (for middle-scale and industrial fishing); 2. any fishing activities in the fishery conservation areas, except where special permission is granted by the Minister of Agriculture Forestry and Fisheries to the Fisheries Administration to conduct scientific, technical research, and experiments related to fishery; 3. bypass navigations or any activities in the fisheries conservation areas except competent officers in case of law enforcement; 4. new settlement of less than two kilometres distance from the boundaries of fishery conservation areas except for Fisheries Administration resident which is used for law enforcement purposes; 5. any fishing activities in the fishery domain using the prohibited gears[3]; 6. producing, buying, selling, transporting, and storing any electrocuting devices, all types of mosquito net fishing gear, mechanised motor pushed nets, inland trawlers that are used for fishing purpose; and 7. other activities prohibited in the *Law of Fisheries* (2006). A foreign person cannot enjoy small-scale or family-scale fishing. Fishing exploitation or aquaculture by foreigners must be conducted under the agreement with the Ministry of Agriculture Forestry and Fisheries after obtaining the approval from the Royal Government of Cambodia.

[3] The prohibited fishing gears can be found in Article 20 of *Law on Fisheries* (2006).

		Transshipments of fishery products and anchoring of the foreign fishing vessels shall be in accordance with terms and conditions determined by the Fisheries Administration. Foreign fishing vessels that are permitted to fish in the marine fishery domain shall inform the Fisheries Administration prior to port calls in marine fishery domains of Cambodia. Only Cambodian (Khmer) nationals can establish fishing community in their locals in order to manage, conserve, develop and use fishery resources.
