Sector	:	Forestry
Subsector	:	Forestry and Logging: Forestry exploitation business
Industry Classification	:	ISIC 0200
Level of Government	:	National Administration and Sub-National Administration
Type of Obligation	:	National Treatment (Article 10.3) Senior Management and Board of Directors (Article 10.7)
Description of Measure	:	National Treatment and Senior Management and Board of Directors shall not apply to any measure relating to restriction or regulation on forestry and forestry-related industries. All activities prescribed in Articles 28 through 39 of Chapter 8 of the *Law on Forestry* (2002) shall be prohibited. Natural protected areas shall be governed by the *Law on Environmental Protection and Natural Resource Management* (1996), with the purpose to: - protect and promote environmental quality and public health through the prevention, reduction, and control of pollution; - assess environmental impacts of all proposed projects prior to the issuance of the decision by the Royal Government of Cambodia; - ensure rational and sustainable conservation, development, management, and use of the natural resources of Cambodia; - encourage and enable the public to participate in environmental protection and natural resource management; - suppress any acts that cause harm to the environment. Cambodia's measures relating to the investments in the Permanent Forest Reserves, except for rubber and eucalyptus plantations, are for the purpose of ensuring the sustainable management of forests for its social, economic and environmental benefits, including conservation of biological diversity and cultural heritage. Investors or the investment must comply with environmental impact assessment screening criteria and assessment process applicable to their proposed investments prior to their establishment, as required by the *Law on Environmental Protection and Natural Resource Management* (1996) and its Sub-Decree on Environmental Impact Assessment Process (EIAP) for such investment.
