Provisions concerning Japanese Benefits

Article 14
Totalization

1. Where a person does not have sufficient periods of coverage to fulfill the requirement for entitlement to Japanese benefits, the competent institution of Japan shall take into account, for the purpose of establishing entitlement to those benefits under this Article, the periods of coverage under the legislation of Finland insofar as they do not coincide with the periods of coverage under the legislation of Japan.

However, the foregoing shall not apply to lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death or withdrawal.

2. In applying paragraph 1 of this Article, the periods of coverage under the legislation of Finland shall be taken into account as periods of coverage under the Employees' Pension Insurance and as corresponding periods of coverage under the National Pension.

Article 15
Special Provisions concerning Disability Benefits and Survivors' Benefits

1. Where the legislation of Japan requires for entitlement to disability benefits or survivors' benefits (except lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death) that the date of the first medical examination or of death lies within specified periods of coverage, this requirement shall be deemed to be fulfilled for the purpose of establishing entitlement to those benefits if such a date lies within the periods of coverage under the legislation of Finland and certified as such by the competent institution of Finland.

However, if entitlement to disability benefits or survivors' benefits (except lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death) under the National Pension is established without applying this Article, this Article shall not be applied for the purpose of establishing entitlement to disability benefits or survivors' benefits (except lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death) based on the same insured event under the Employees' Pension Insurance.

2. Paragraph 1 of Article 5 shall not affect the provisions of the legislation of Japan which require a person who is aged 60 or over but under 65 on the date of the first medical examination or of the death to reside ordinarily in the territory of Japan for the acquisition of entitlement to the Disability Basic Pension or the Survivors' Basic Pension.

Article 16
Calculation of the Amount of Benefits

1. Where entitlement to a Japanese benefit is established by virtue of paragraph 1 of Article 14 or paragraph 1 of Article 15, the competent institution of Japan shall calculate the amount of that benefit in accordance with the legislation of Japan, subject to paragraphs 2 to 4 of this Article.
