Article 15
Special Provisions concerning Disability Benefits and Survivors' Benefits

However, if entitlement to disability benefits or survivors' benefits (except lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death) under the National Pension is established without applying this Article, this Article shall not be applied for the purpose of establishing entitlement to disability benefits or survivors' benefits (except lump-sum payments under the Japanese pension systems specified in paragraph 1(a) of Article 2 on account of death) based on the same insured event under the Employees' Pension Insurance.

2.　With regard to the Disability Basic Pension and other benefits, the amount of which is a fixed sum granted regardless of the period of coverage, if the requirements for receiving such benefits are fulfilled by virtue of Article 13 or Article 15, the amount to be granted shall be calculated according to the proportion of the sum of the periods of contribution and the premium-exempted periods under the pension system from which such benefits will be paid to the sum of those periods of contribution, those premium-exempted periods and the periods of coverage under the legislation of Sweden.

3.　With regard to disability benefits and survivors' benefits under the Employees' Pension Insurance, insofar as the amount of those benefits to be granted is calculated on the basis of the specified period determined by the legislation of Japan when the periods of coverage under the Employees' Pension Insurance are less than that specified period, if the requirements for receiving such benefits are fulfilled by virtue of Article 13 or Article 15, the amount to be granted shall be calculated according to the proportion of the periods of coverage under the Employees' Pension Insurance to the sum of the periods of coverage and the periods of coverage under the legislation of Sweden.　However, when the sum of the periods of coverage exceeds that specified period, that sum of the periods of coverage shall be regarded as equal to that specified period.

4.　With regard to the Additional Pension for Spouses which is included in the Old-age Employees' Pension and any other benefits that may be granted as a fixed sum in cases where the periods of coverage under the Employees' Pension Insurance equal or exceed the specified period determined by the legislation of Japan, if the requirements for receiving such benefits are fulfilled by virtue of Article 13, the amount to be granted shall be calculated according to the proportion of the periods of coverage under the Employees' Pension Insurance to that specified period.
